HEADMASTER'S MESSAGE

Mr. K.H. Barry Gallant

YEARBOOK 1993-1994

At the beginning of the year, the night you returned to school, I recall laying out three things that I expected from you this year, and one fact that made these three expectations absolutely essential if we were to achieve anything.

What I drew to your attention that night was the incredible diversity of this small school community. There are students and teachers here from every continent, from every major race and language group, from every major religion and from the full range of cultures and social backgrounds. And I recall being surprised that this seemed to be news to you. After thinking about this, I realized that you were not unaware of this diversity, but that it did not seem to be important to you because you do not make the distinctions about race, religion, culture and class that my generation does.

This certainly gives me great hope for the future and makes me think that we may, after all, be able to turn our backs on those who would make political divisions correspond to the old distinctions of race, religion and language. This is not going to be easy and the temptation to separatism and exclusiveness is still strong, but we are so diverse now that nothing can undo that fact. Instead, we have to replace these old measures with new ones and I laid out in September three expectations that are necessary if we are to achieve some harmony and progress.

Let me recall these expectations for you. First, we recognize individuals, and individual effort and achievement. In other words, what you do counts for much more than who you are. Second, we must respect the rights, feelings, opinions and beliefs of other individuals if we are to deserve the same respect for ourselves. We do not have to agree, but we do have to realize the world does not revolve around the great "me". And last, if we are to achieve anything, then we have to co-operate with others and develop a sense of teamwork by adopting only those goals that are mutually agreed to be of benefit to all and leave the things that divide us to the private part of our lives rather than making them into public and divisive quarrels.

You have more than lived up to my expectations: you are individuals, you do respect each other, you do work together for those things which you share in common and you have the good wisdom - by and large - to keep private those things that divide us. I hope that you continue this wise course.

Welcome to the 1994 Stanstead College SPECTRUM, which is guaranteed to spark memories, laughter and perhaps a few tears.

As the years go by and as technology advances, so does the SPECTRUM. This year the entire Athletics section was produced by computer. This new production technique seems to be the future of the yearbook where the main goal will be to produce the entire SPECTRUM literally at the push of a button.

The yearbook would not be possible if not for Mr. Ashworth, who is more than just a staff supervisor. From September until after Baccalaureate, Mr. Ashworth devotes time out of his hectic schedule to come over to the SPECTRUM office and share some of our frustrations, as well as some of our laughter. The entire SPECTRUM staff can't thank him enough.

So relax, find a comfortable chair and take time to look through this collection of moments and memories of another year at Stanstead College. Enjoy!

My first memory of Stanstead College brings a clear image of a rainy day and a scared child, full of fear and not knowing what lay ahead of him. I remember that day like it were yesterday and know that I shall never forget the warm smiling faces that welcomed me. Since that day, four years ago, I have been a part of the Stanstead family. I remember vowing that I would make this family proud of me. Unfortunately, I cannot say that I have successfully fulfilled my vow, as I don't think that I have done half as much as Stanstead has for me.

Stanstead College has given me more than one can ask for in a simple boarding school. Over the years I have learnt about so many various aspects of life; lessons which have changed my personality as a whole. Stanstead has given me my friends for life, a treasure that can never be lost. Academically, Stanstead has showed me how to use my acquired knowledge in a practical manner, a skill that cannot be learnt in a classroom.

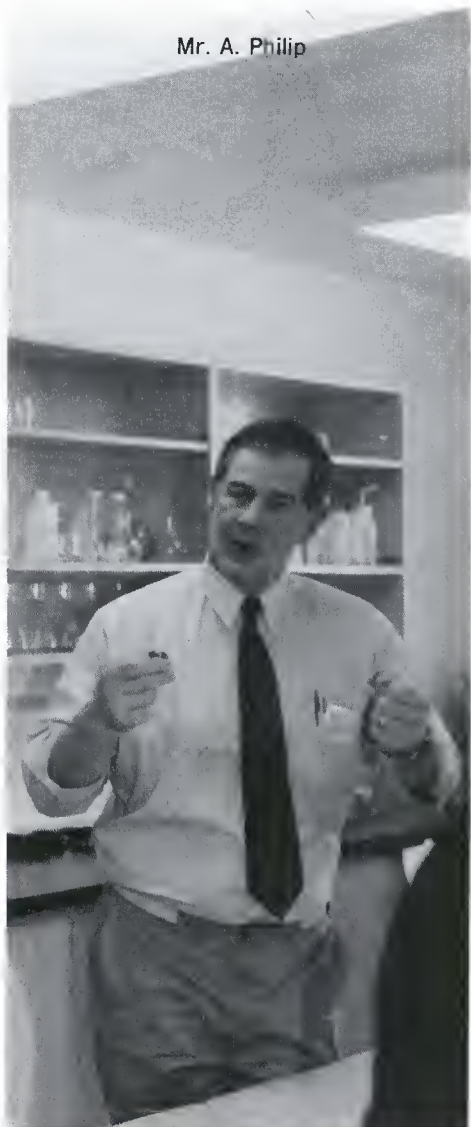

This year, being my fourth and final year at Stanstead College, was quite a significant and challenging one for me. I was approached early this fall, and was asked to take the role of Head Prefect for this school year. Till today, I have not found words to express my gratitude towards this honor. As Head Prefect, my primary goal was to emphasize on the value of respect towards each other. The growth of hatred, due to the lack of respect in our society today, encouraged me to show how one can easily succeed by showing respect. I tried to achieve this by devoting my time evenly to as many people as I could and hopefully gaining everyone's respect in the process. I have been diligently involved in numerous school activities such as Grad. and Animation Committees, choir, theater arts, music, tennis, squash, etc. Hoping to set an example for those younger ones, who are bound to encounter the various obstacles of school life, I have tried to live as a role-model. I hope that other students will benefit from their experience at Stanstead in the same way I have.

MY FIRST LOVE

It all started in my first year in kindergarten
When I was walking with my teddy bear
And my eyes landed on one of the girls
She stole my thoughts, I felt strange

However she was a girl like the others
I told my mom what I felt that morning
She smiled, looked at me and said
That I was living my first love

I didn't understand what she meant
I was still thinking of that girl
The next day, I saw her again
I couldn't play with my friends

She was eating some chocolate cake
When unfortunately it dropped on the floor
She was sad, I could tell
I didn't want her to cry

So I gave her some of my chips
She smiled, she made my heart beat faster
She talked to me, she had beautiful eyes
Her name was Marie she said

So everyday we sat and talked
And one day she kissed me, I flushed
I kissed her back, I don't know why
She said that she loved me

I can't explain the happiness I felt that day
It is just one of those memories
That stay in your heart forever
One of those emotions called first love

THE HEARTLESS

Hiding her tears behind her pillow,
She can't admit being a widow.
Hiding her fears in a soul of madness,
She can't admit living in sadness.

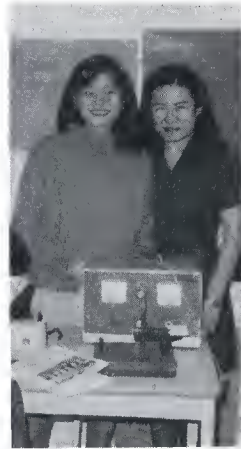

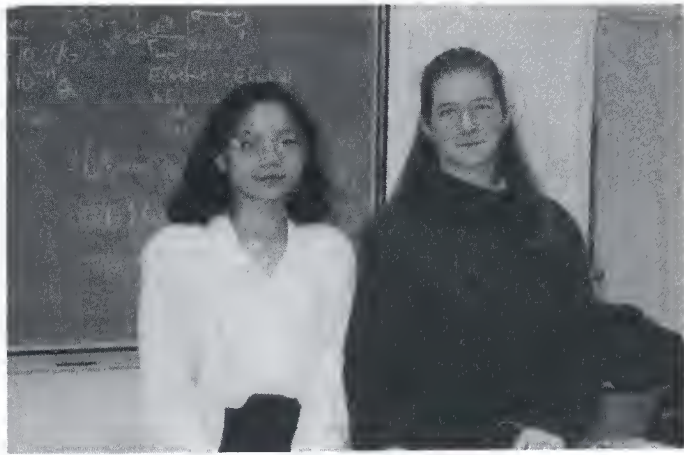

The old man has left her with three children to feed.
She's trying to work, but if only she can read.
The old man left her without a shelter.
She's trying to forget her heart suffering the cold winter.

Her children cry out from hunger.
She hasn't eaten for days, probably longer.
Her children are withered from sickness;
Nobody comes to their rescue, they're all heartless.

REHEARSAL FOR MURDER

Rehearsal for Murder is based on the television hit by Richard Levinson and William Link and adapted for the stage by D.D. Brooke. This is a thrilling theatrical mystery in which the theatre itself becomes the set for the play.

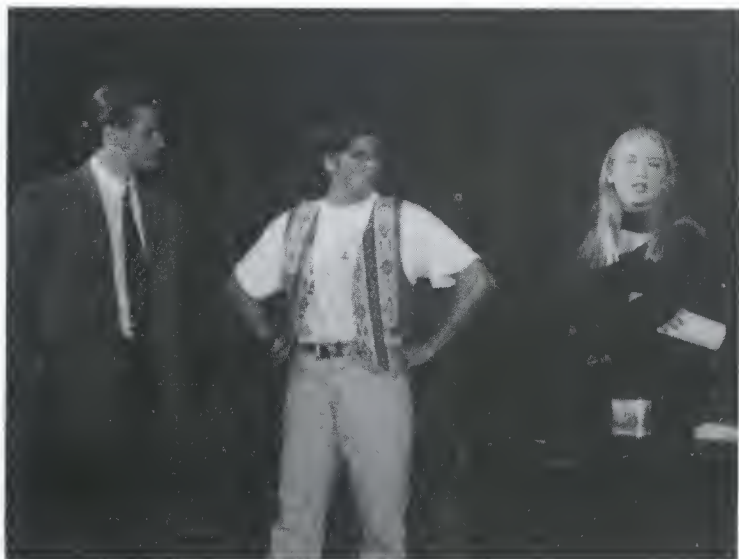

Fifteen Stanstead College students from grades 8 to 12 become the playwright, director and others connected with the first reading of a new play.

Spring Break in Greece

Jeff Supino's European Vacation
or
"It's All Greek to Me"

This year's Spring Break found us in Greece for a terrific vacation. Under the organization of Exotic Tours in Montreal and ably led by the renowned travelling guru, Andre Simard and the ever graying Brian Denney ("It's nice to visit a place where you can see things older than you are"), the school embarked on a two week "classical tour" of Greece. And what a tour it was as over the 14 days we travelled from Athens to Corinth to Olympia to Corfu to Kalambaka to Thessaloniki to Delphi and back to Athens. Along the way we also visited Epidaurus, site of the famous theatre, Pella, the ancient capital from which Alexander the Great ruled his empire, Thermopylae, site of the famous Spartans battle with the Persians and Thebes of Oedipus fame.

As usual there were also some unexpected highlights, the first of which was Jeffrey Supino doing a classic face plant at the Kolizeras Restaurant in Mycenae much to the delight of a bunch of Italian tourists. Jeffrey proceeded to get lost that night in Nauplia but his roommate, Arturo Ramirez, wasn't worried so, no problem. Jeffrey also managed to get lost at the Acropolis, in Thessaloniki and even in a . . . theatre? We stayed mostly in "B" hotels until the glorious 3 day break on the island of Corfu where we stayed in a luxury hotel. No complaints here, right? The kids'll love this, right? Wrong! Either Yué eating too much feta cheese and too many olives - in any case, she "accidentally" smashed her bathroom sink. Not a problem, though, as Mr. Simard covered the expenses with all the drachmas he won playing blackjack at the Corfu Casino.

Other notes of interest: OK Jeff, who is this? Yuna . . . no . . . Yin-wen . . . no . . . Yu-wan . . . no . . . Yué . . . yes . . . Arturo becoming an expert on the slots . . . Paulina and the gang travelling to the beach . . . Jeff getting hooked on souvlaki and giros . . . Owen, the chessboard buying expert . . . Cheung Chi and the gang buying up Greece's gold reserves . . . Yué falling out of elevators . . . Jeff's expensive camera and picture taking pose . . . Ben, out for a burger at 9 p.m.; back (frazzled) at 1:30 a.m. after five tours around Omonia Square . . . Camille impressed by the variety of Greek salads . . . Alejandra and Paulina danced and grinned while Pato was begging "Please let me in" . . . Jeff's great telephone adventure at the Stanley . . . The morals of Zeus . . . Jeff and Pato singing . . . Having our own Medusa on the tour . . . Mythology . . . mythology . . . mythology . . .

The weather was great, and a good time was had by all!!!

Adrift

Riding the swells - the blue water
Up, down, up, down and again.
Stranded aboard a bit of floating junk,
I scan the horizon for hope - for salvation.
Parched, salty lips - sunburnt skin
I bob with the sea - desolate eyes.

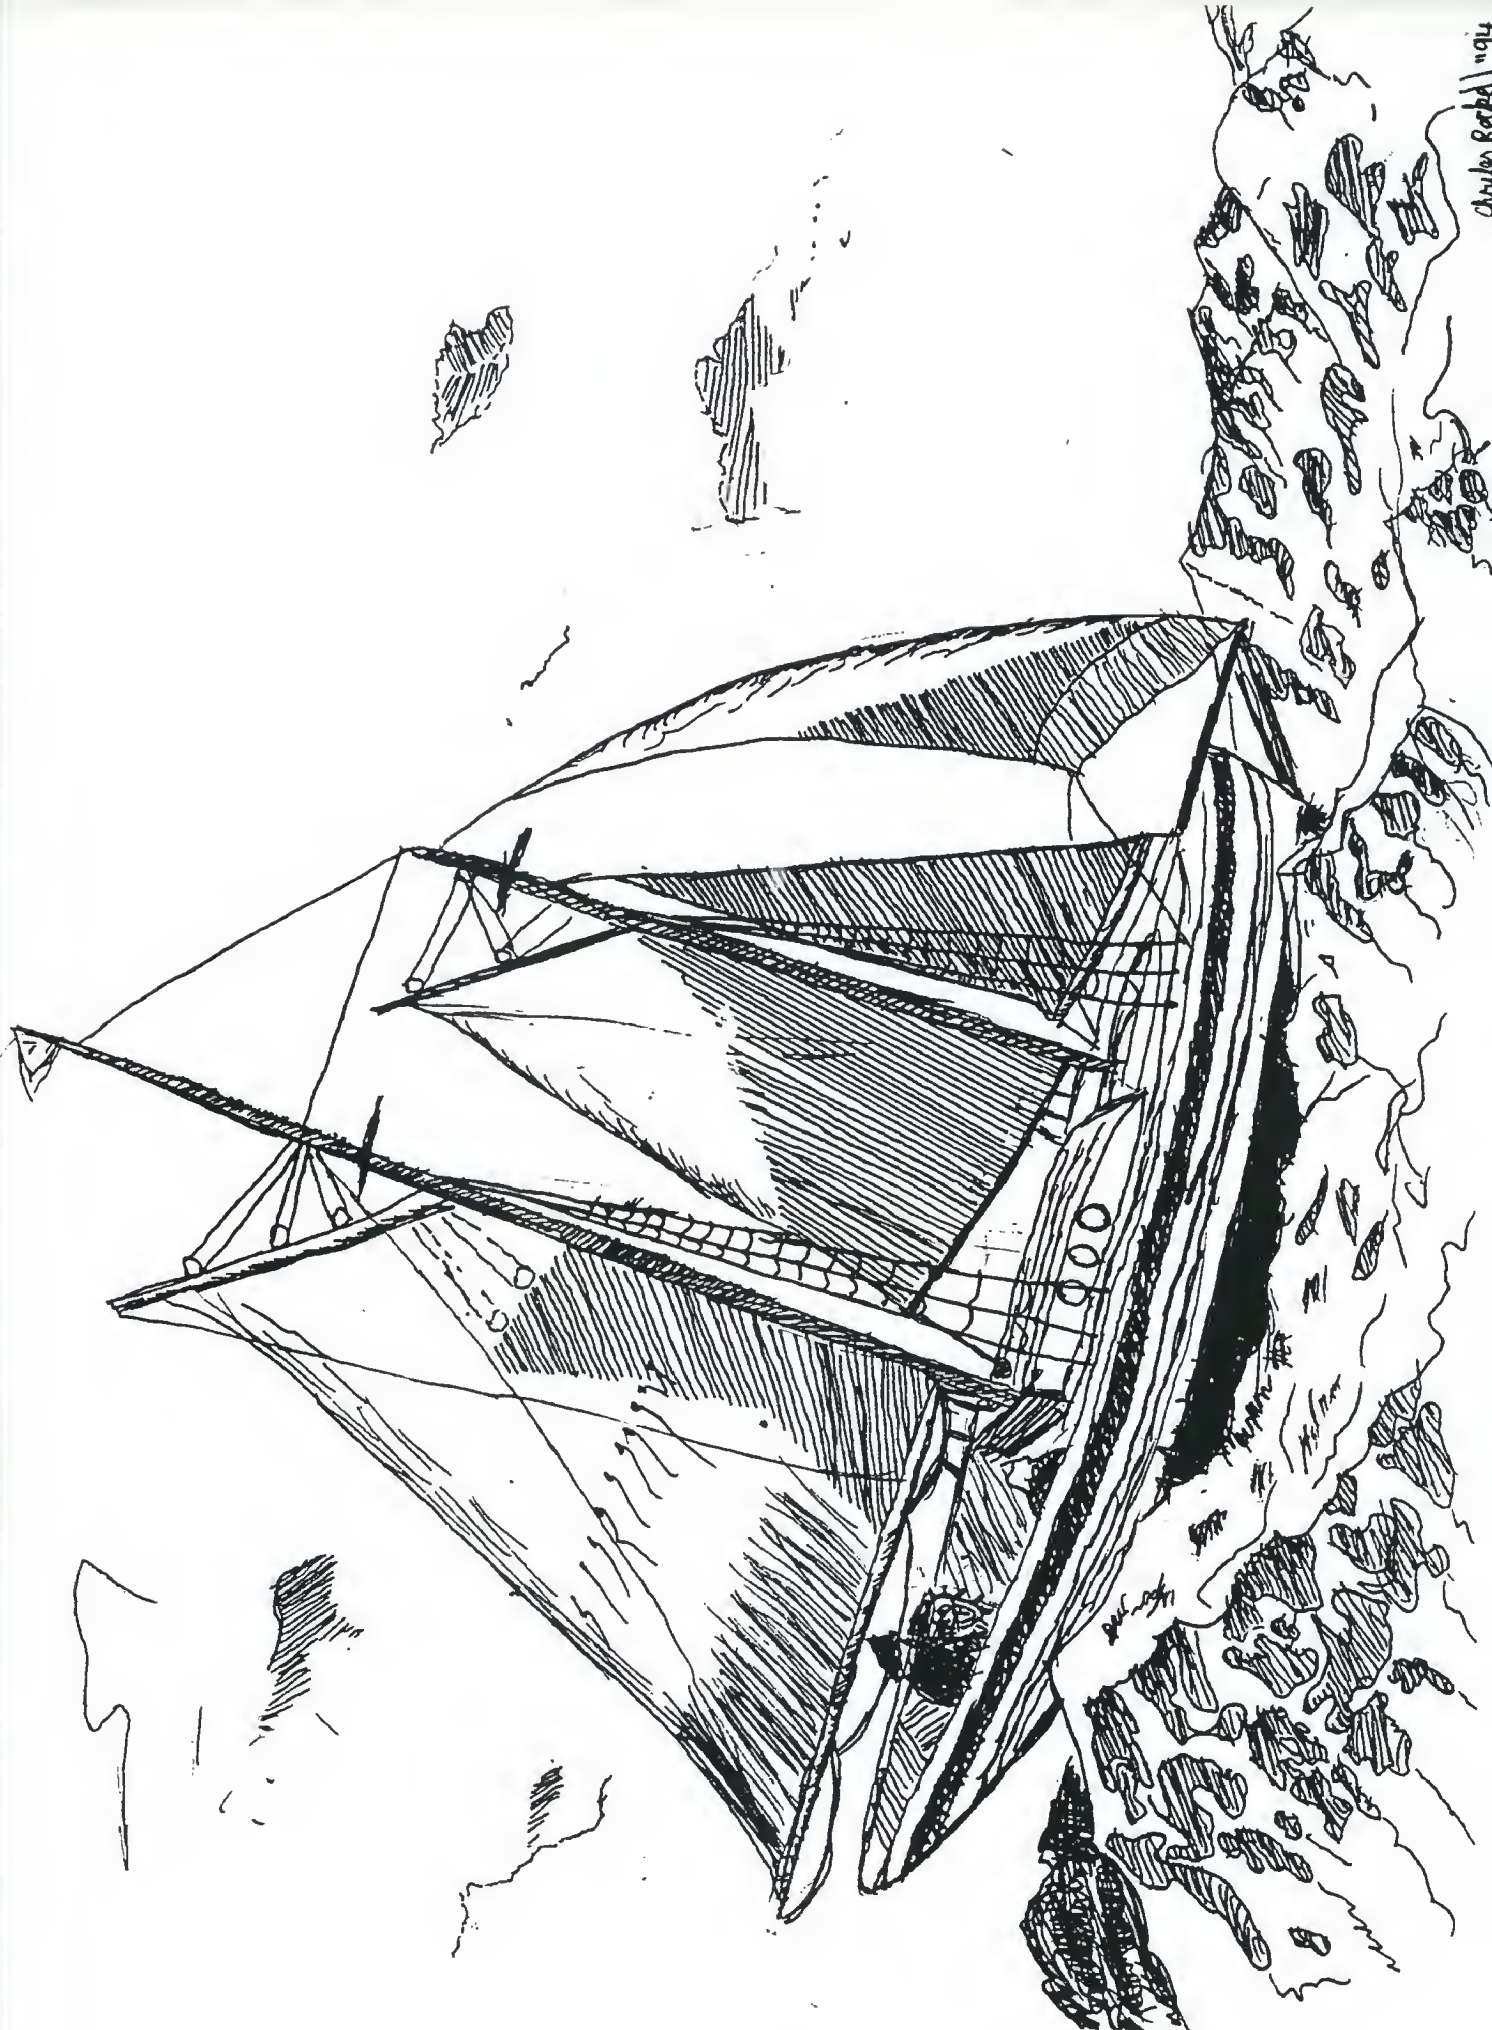

A day . . . a night - or was it two?
I sleep awake and wake whilst sleeping.
Once I awoke - or perhaps I was dreaming.
All around there were boats!
Big, little, powered and sail-everywhere.
I waved, I hollered,
Yet they seemed unaware.
Their wakes only, gave away their presence,
Pushing me away.

I lie prostrate on my splintered coffin,
Dehydrated, dysfunctional, disenchanted.
Night's coming - or is it my vision that's going?
Religion's forgotten, morality abolished.
I pray to the setting sun and the rolling waves.
They are my Gods, my universe.
I have always been here and forever will be.
The sun's radiance is comforting,
The salty water is pure.
I rejoice in my misery.

The Alleys

They lurk in the alleys.
They crawl in the subways.
They hide behind outstretched palms,
And conceal themselves with pleas.

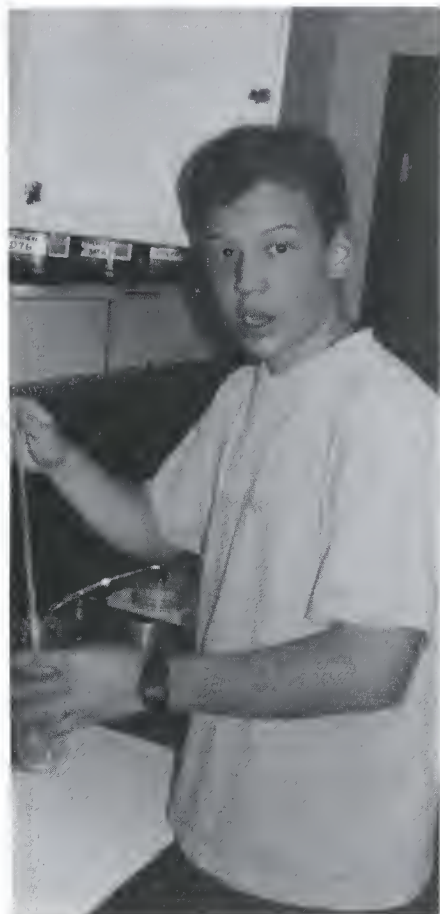

But I know their game.
I will not be taken.
I lock my heart away
Before leaving home.
It's survival of the fittest I say.
Every man for himself.

On the street I know what to do.
I walk fast, staring straight ahead.
Unseeing, unheeding, uncaring.

They pretend to be homeless,
Or sick maybe.
Ha! They don't fool me.
I know their game . . .

IMPROVISATION

L'équipe d'improvisation de Stanstead s'est rendue à Selwyn House, Montréal pour le cinquième tournoi annuel d'impro. Notre équipe affrontait cinq autres équipes: Selwyn House, Trafalgar, Queen of Angels, E.C.S et Sacred Heart. Le tournoi était divisé en trois périodes.

Première période: Stanstead, Trafalgar et Queen of Angels s'affrontaient. Une période très excitante. Jean-Luc, Mathieu, Patrick, Julie et Clarissa faisaient rire la foule avec leurs foleries. Daniel surprenait les gens avec son talent d'imiter un petit garçon. Nos joueurs étaient tous excellents. Stanstead a pris de l'avance dès le début. Une période qui s'est bien terminée car notre équipe a gagné. Stanstead participera donc à la finale.

Deuxième période: C'est le tour de Selwyn House, E.C.S et Sacred Heart de s'affronter. Une période assez difficile à juger, du beau jeu et des thèmes intéressants. Selwyn House a remporté la deuxième période et se rend donc en finale pour affronter Stanstead.

Troisième période: La période finale. Beaucoup de stress dans les deux équipes mais notre équipe ne cessait de s'encourager. Nos joueurs ont vraiment très bien joué dans tous les thèmes. Du très beau travail de la part des deux équipes. Selwyn House a tout de même gagné la partie.

Ce fut un tournoi très émotif pour nous. Nous avons tout de même eu beaucoup de plaisir. Félicitations à Jean-Luc d'avoir remporté la troisième étoile de la partie. Nous avons vraiment beaucoup travaillé et dans nos cœurs, nous sommes revenus à Stanstead champions!

Félicitation à toute l'équipe et bonne chance à nos finissants.

Merci beaucoup à Daniel Béasse, notre capitaine et à son assistante Julie Béasse pour leurs bons conseils.

Merci aussi à nos deux entraîneurs: - Mme Martin et Mme Marcotte.

DEBATING AND PUBLIC SPEAKING

The Debating / Public Speaking Club kept an active schedule this year thanks to a newly formed student executive helping run the club. Debating and public speaking contests were held both internally and externally.

In the fall term Suzy McDonald participated in the QSDA Senior Public Speaking Contest at Trafalgar School engaging in three speeches: Prepared, impromptu and interpretive reading. Four junior students, Rene Villarreal, Guillaume McDowell, Noemie Johnson and Karine Chagnon debated a resolution on expanding United Nations peacekeeping forces at Bialik High School.

Ianitt Yoo represented Stanstead at the QAIS Senior Public Speaking Competition held at Centennial Academy in February speaking on "Generation X". Four students, Suzy McDonald, Michael Atkin, Zaid Mahayni and Neil Hepworth participated in the World Affairs Conference in Toronto. The conference topic was "Youth in the Nineties: A Generation in Crisis" and opened up a variety of interesting dialogue on youth issues.

The spring schedule consisted of several events. Firstly a regional Public Speaking Contest held at Bishop's University. Those involved included Noemie Johnson, Karine Chagnon, and Suzy McDonald. Furthermore, an in-school Public Speaking Contest sponsored by the Rotary Club of the Boundary was put on before the whole school. The theme of the speaking was based on the Rotary's 4-Way test and involved eight speakers. The junior winner was Karine Chagnon while Ianitt Yoo won the senior division.

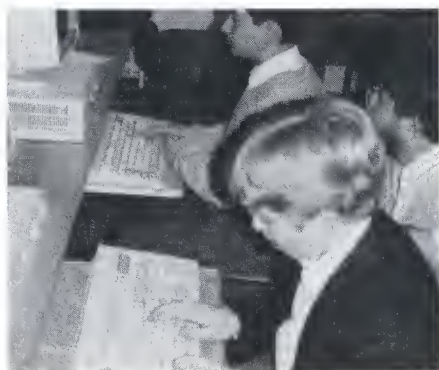

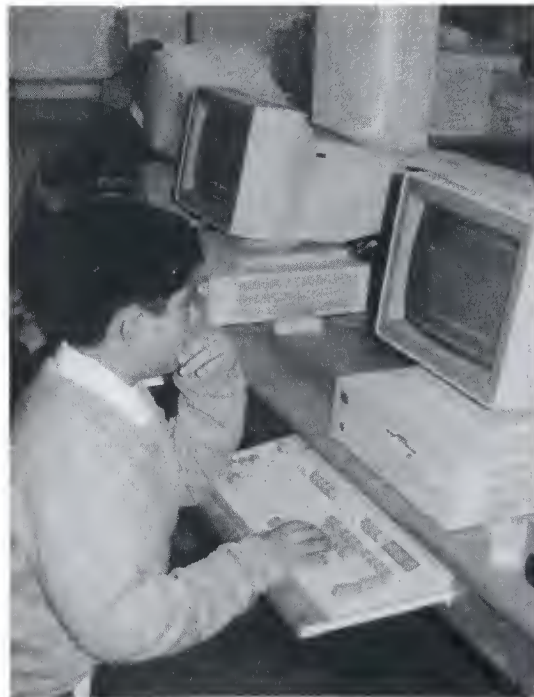

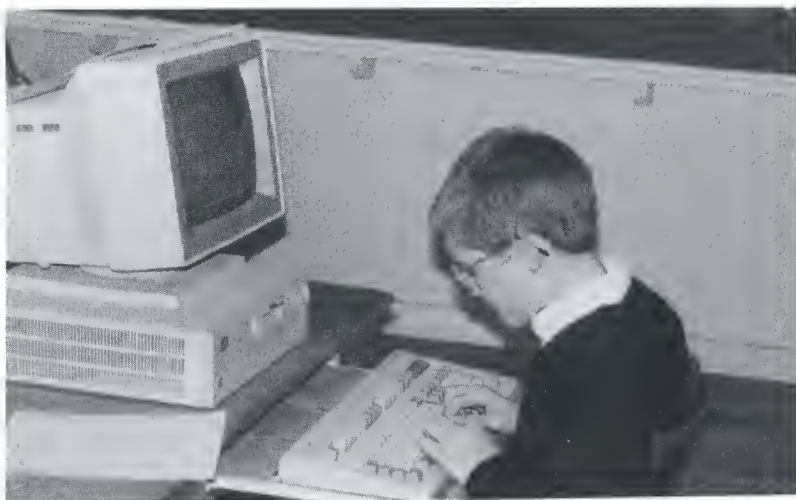

Thanks and congratulations to all those who participated, the executive and the President, Zaid Mahayni for all your involvement.

HER ZU MIR

Come to me kind angel,
Take my soul with you to your far country.
Take your son between your arms.
Answer me, sweet angel, let me hear your voice.

Show me your smile generous flower.
Take my hand, tell me that you love me
I've always loved you, you gave me life
Answer me, sweet woman, let me feel your soul.

Don't hide behind that cold body;
You said that you'll never leave me.
I know now that you lied to me.
You left me for a long silent sleep.

After four years of being extremely competitive and near the top, the team was in a rebuilding mode this year. We had a lack of skilled players with only three veterans. At this level we needed to concentrate on plays and team development, but due to the newcomers to the game, we had to concentrate on basic skills which made it difficult to be competitive versus the big teams.

There certainly was improvement as the year went on and some periods of brilliance. The season is very short though and we could not catch up to the level we were competing against. I certainly had many frustrations as a soccer coach, but the relationship with the players were certainly fun to deal with. Congratulations to Clare Watson for winning a Major "S". Both Clare and Tanya have played a few years here and we wish them the best for the future and also to all the grade twelves and grade elevens leaving. Congratulations to Ruth and Laura for a Senior "S". See you next year.

Although a cloud of considerable doubt hung over the 1993 edition of the football Spartans prior to taking the field in September, by seasons end, little doubt remained concerning the determination and competitive spirit of this group of young men.

In spite of the two serious handicaps which the '93 Spartans encountered, inexperience (especially on the offensive line) and numerous injuries to key personnel, the team managed a very respectable four and four overall record. Our three and three regular season performance was good enough for a second place finish in the final league standings, and a shot at first place B.C.S. in the championship playoff game. Unfortunately our timing was off by one week (having soundly defeated B.C.S. the previous Saturday) and the team came up short in the big game.

The team was extremely fortunate to have been endowed with quality leadership this year. Our co-captains Danny Béasse and Alan Chi served as role models to their peers, both on and off the playing field.

The team was comprised of 27 enthusiastic young men, who as a group truly reflected the qualities of hard work, fair play and good sportsmanship.

This years senior soccer team was one of the nicest teams in recent memory. This was not due to a winning record. In fact, this years team only won two games all season. It was a nice team because of the way in which they approached the sport. They always played hard. They played a skill game and they played with great sportsmanship. We were the only team in the laegue not to receive a yellow card. This was a very positive achievement. Why then did we come up short in the victory column? This years team was a young team with a few seasoned veterans. It was a learning and building year. With the positive attitude the team maintained, I look forward to next year. Thank guys! To the Grads, you were great leaders. Your presence on the field will be missed next year. This years senior soccer team was one of the nicest teams in recent memory. The XC running team had an excellent year. The weather was good for all the meets, including the mud bowl in Sherbrooke and we had 3 runners qualify for the Provincials! As usual there was a huge spread in ability but I was very pleased by the effort of everybody: all managed to enjoy themselves in spite of the coach's efforts to make the practices as painful as possible. Long distance running is all about knowing yourself and pushing yourself through the pain barrier: I really felt that the supreme example of that this year was Victor Kasowski's superb 5th place finish at the Regionals in Granby when he beat his arch-rival from Galt in the last 20m with a sprinting finish. Thanks for a great year!

This soccer season was one of the most exciting seasons for both myself Rachel Gallant and the Jr. Girls. It started with a giant victory at the Galt Invitational Tournament. The girls won all 4 games that they played. They defeated Galt in their last game by one penalty kick. It was amazing since the girls never expected it. They worked so well together which was also amazing since we only had 3 days to choose a team and practice.

After the tournament it was obvious to both Rachel and I that there was a lot of talent on this team. Their winning streak continued throughout the season. They finished 2nd place overall with 5 wins, 1 tie and 2 losses. A very impressive season.

Unfortunately the season ended earlier than expected when the girls lost by one point in the semi-finals. It was a disappointing loss but nevertheless the girls did play their hearts out. They should be very proud of their continuous effort and success throughout the season and I would like to commend them all for having displayed great sportsmanship on and off the field. Both Rachel and I truly enjoyed working with this group of young ladies.

I want to thank Sarah Channell for being an excellent captain during the years that I have worked with her.

Thanks to all the girls for a super season !!!

This was one of the most peculiar Soccer seasons in six years of coaching the Junior Boys. Plenty of individual talent was obvious at the beginning of the season but it took quite a while to decide who played best in which positions so there were many early changes - even with the goalkeeper. Our first game was against a very powerful Galt team but we still managed to score two goals. The results of the early season tournaments were disappointing as the team did not respond well to defeat by a couple of stronger opponents. In regular league games however the side began to play better and to win.

A crucial game came at the end of the season against Richmond which had to be beaten or tied to retain third place for the playoffs. The team really played together and held Richmond to a 1:1 draw on its home ground.

This augured well for the finals at Lennoxville and the team rose to its greatest level of skill and co-ordination to beat Massey Vanier in the first match by one goal. That left Galt to face in the Final itself. The team surpassed the level it had previously displayed by coming back from being two goals behind. The game was tied after full time, after extra time and after five penalty shots each. Sadly the sudden death penalty decided the game in our opponents' favour. Thanks to all who played so hard and to the Manager. Looking forward to 1994!

This year's bantam soccer team showed tremendous improvement since last year and over the course of the season. In league play, the team narrowly missed the playoffs, however they enjoyed good success in tournament play finishing as finalists in both the BCS and Centennial tournaments. All players showed steady improvement over the season and remained generally injury-free. Bantam "S" winners included Peter Atkin, Brad Goodsell, Paul Li, Alex Petraki, Thomas Phaneuf and Rene Villarreal for their hard efforts and fine play.

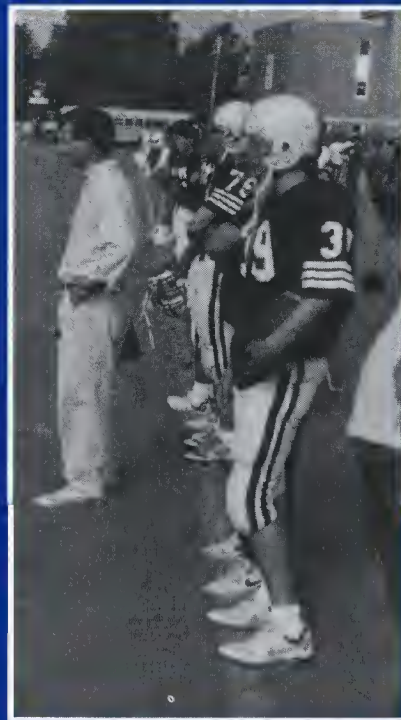

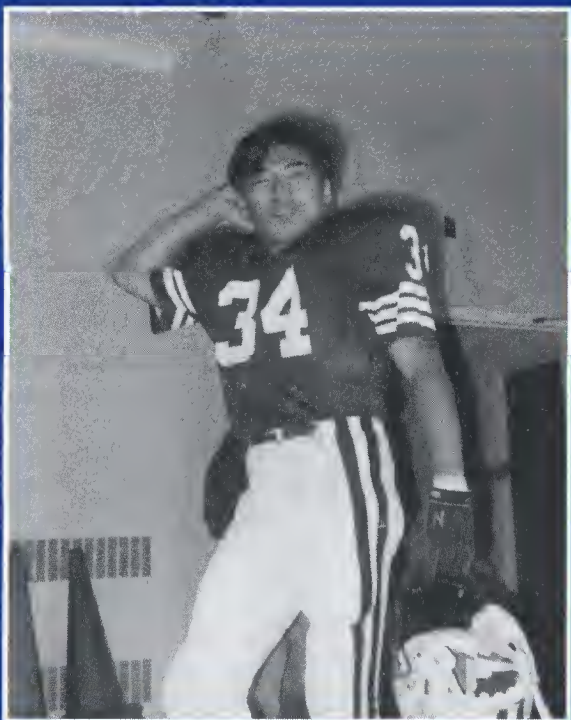

Thanks to all the players for their hard work and perseverance, the steady goaltending of Marc Hetu, the leadership and outstanding play of co-captains Paul Li and Brad Goodsell and the reliable help of manager, Patrice Huot.

What was to be a rebuilding year, turned out to be quite a good season. We only had two first year returnees with a whole new group of players coming from the junior team and new students at Stanstead. We did not have great skills but the girls certainly showed everybody that playing as a team can take you a long way. We certainly achieved much more than what was expected of us. We did very well at two tournaments winning three and losing two. We also qualified for the Anderson-Bailly which was a great accomplishment for us. The one memory of this season will certainly be the low scoring games we were involved in. A couple examples were 8-3 vs B.C.S., 14-13 vs Richmond, and many more. We were brutal as an offensive team but defensively we were one of the best, because we played so well as a team. I did not award any Major S this year or the trophy because I felt that no one was outstanding, but every one should realize that I would of given the trophy if I could of awarded it to the whole team for playing so well as a team and giving one hundred percent. I would like to thank all the girls for a great season, and being such good friends. Take care and I will see you next season.

After graduating all five starters from last year's team, I knew that this year would be a struggle. We were the weak sister in the ETIAC this season, losing all eight of our league games.

Our overall record was not much better. We did not qualify for the Anderson-Bailly Tournament, nor did we make the ETIAC playoffs. This is not to say we were not competitive in games. We most definitely were, however we seemed to lack the elements necessary to get into the win column. We lost by a couple twice to BCS, and one of the memorable games of the season was a loss to Richmond in triple overtime in our own Stanstead Invitational Tournament.

Despite the drought in the win column, we did improve as a group in terms of knowledge and skills of basketball. As we did not have many stars to carry the team, a number of players worked hard and got playing time. Karim Kabbara even started a game or two!!! (He later earned the nickname <Bart> for his skills with the basketball and favorite candy bar - BUTTERFINGER). Ben Lo was our ever efficient manager who enjoyed sleeping and/or showering during practices.

It was a long season, but there is definitely hope for the future. With the majority of these players returning next year a little bigger, stronger and better, and with the possibility of a few new players coming into the school, next year looks very promising.

Congratulations to the following award winners: Senior "S" to Zeeshan Hussain and Miguel Sorensen and a Major "S" and the Amaron Trophy to Alan Chi.

The season started with many new faces on the team, with varying degrees of swimming expertise. Some were very good and others could hardly swim. Real progress was made by all. Congratulations!

Special congratulations to Jenson Au who managed to win the 50 m breast stroke, and place second in the 100 Individual Medley. Thanks to the team captains Clare and Danny. This year we tried something different; recognizing that many of our team members have never seen snow, let alone ski, we divided the team into two parts: recreational and team skiers. While we tried to get into shape together by running, playing basketball and weight training before Christmas, we kept the groups separate during most of the ski practices. However, the experienced skiers were gracious enough to help teach the novices the "tricks of the trade" so well that a couple of them (Ken and Jenny) were able to make the team! We had wonderful snow this year, but so often it was sooo... cold (-30 C) that our meets were cancelled. However, we did get to Vermont 3 times to see what really excellent skiers do and were inspired by what we saw. Our 2 big events of the year were the traditional Town Races in Stanstead (where absolutely everybody participated this year) and the Canadian Ski Marathon in Ottawa. Our three best skiers, Maxime, Molly and Tania went with the coach to enjoy that 180 km stroll through the countryside. There we had a rough time on the Saturday as it was very icy and we all fell often. However on Sunday we had fresh snow and it was gorgeous! Our skiers this year all improved by leaps and bounds, from falling every step in January to skiing 5 km in February! They also managed to enjoy the coldest winter in 40 years: that's what makes XC skiing such a great winter activity; you learn to love the cold and the snow, even all those soft "southerners".

This year's edition of the senior hockey team benefited from the expertise of assistant coach Mike Hetu. Mike's input helped to mold a team out of the eighteen individuals who showed up for training camp in the fall.

Backed by solid goaltending from Sam Skoryna, the team showed steady improvement as the year progressed. The season was highlighted by the team's domination of BCS during league play. This allowed Stanstead to make the playoffs for the first time in several years. It also marks the first time in many years that a Stanstead player finished near the top of the league's scoring. Billy McDonald achieved this feat with 26 points in 12 games.

The prospects for next year look promising with a solid core of players returning. The team will miss graduating veterans Victor Kasowski, David Skelton, Jean-Luc St. Onge and Patrick Desjardins. Their efforts were greatly appreciated. For those players returning, a year of successful hockey will give them the foundation for greater things to come.

This year both Mr. Williams and I had a fine group of players to work with. Half the players on both the girls and boys team were new to the game of squash. The veterans worked hard on improving their skills and at the same time they encouraged and tutored the novices.

Overall the season went well for both teams. We participated in a number of successful tournaments against BCS. We also participated in a Selwyn House tournament that took place in Montreal. This tournament involved 4 schools from Quebec and Ontario. Although there was some tough competition, Owen Chang did make it to the semi-finals. Despite the stressful playing conditions, all the players were incredibly poised and showed a great deal of sportsmanship.

While half the players were in Montreal, the other half took part in an equally tough tournament at Bishop's University. There was a wide range of competitors, young and old, from all over the Eastern Townships. Unfortunately most of our players were eliminated after their second game except for Joan Chang who made it to the finals but was defeated. She played extremely well to the end and I was quite proud of her. (221)

I would like to mention how sorry we were to lose Kristina Porter from the team. She was really improving when she injured herself during a volleyball game and was unable to play squash for the remainder of the season.

Myself and Mr. Williams both feel that our players have a lot of integrity and that there was never a time when they were out of line or disruptive when they were away representing our school. We look forward to working with the returning players next year and wish the graduates the very best of luck in the future.

Congratulations to V.J. and Michael on receiving a Major S and to Owen Chang, Leslie Cheung and Joan Chang on receiving their Senior S.

This was my first year as coach of the Junior Boys' Basketball Team, and like the players, I learned a lot. We only had two returning players, so the team was basically composed of boys fresh out of Bantam and guys who had hardly played before. I am happy to say that everybody improved immensely throughout the course of a very long season.

We had little success in league play being physically out matched by bigger, stronger and more experienced teams. However, by the end of the year, we were losing by 12 points to Massey Vanier starters instead of by 60 points to Massey Vanier second stringers. And against BCS, the only team of our calibre in the league, we were an impressive 5-0 in league and tournament play. We also played our most competitive game against visiting RCS Netherwood winning an up and down contest by 5 points.

It was mentioned earlier that we improved during our five month stint. The players learned their basketball skills and developed a sense for the game which can only be obtained through court time. But more importantly, we worked on our sense of sportsmanship which was lacking in the beginning of the season. Although far from perfect, our team attitude improved enough so that Stanstead will walk into a school, play a little basketball and then leave with some style and some class. Good luck to those moving into the Senior program and congratulations to our Junior "S" winners, Captain Manabu Fujimoto and Nathan Couture.

As the saying goes, "this was a rebuilding season". There were many vacant spots to fill this year. This was easily accomplished as the new girls trying out brought with them determination and potential to play basketball. The season wasn't exactly a victorious one for us but the team never displayed signs of giving up. The girls did their best in every game they played. The high points came when other coaches and officials complimented the team on their sportsmanship and team spirit.

Most memorable moments during the season:

- 1) Karine making new friends at the E.C.S. Tournament. (She forgot her sneakers and had to borrow from others.)
- 2) Robin getting a speedy break-away down the court and making a perfect shot - in our own basket!
- 3) Zeena not knowing which direction to run once she had the ball. (It's alright Zeena, just follow the rest of the team.)
- 4) Ianitt psychoanalysing each play. (Freud would be pleased.)
- 5) Our wonderful manager, Mariana who did an excellent job of recording the statistics. (Too bad the BCS scorekeepers couldn't count!)

Congratulations to the three young ladies who received their Junior "S". To Kikuko for the effort, skill and cheerfulness displayed throughout the season. Thank's for being such a reliable captain. To Angelica who took constructive advice and used it to her benefit. To Elisabeth who gave 100% on the court and yelled encouragement to the others while spectating from the bench. It's okay Liz, "frustration" is part of it!

Lastly a very special thank-you to Rachel Gallant.

The Junior Hockey Program enjoyed another year of very successful hockey. The team consisted of the usual mix of ages and skill which allowed the program to concentrate on the development of young players regarding skills such as: skating, passing and shooting, while the older, more skilled players continued to work on team offense and defense. The team possessed two young goal tenders who continued to show great improvement and should prove to be a good investment in the future.

Because of our large numbers, we were able to spread the load around, which gave a lot of other players a greater amount of ice time. All members of the team showed various degrees of improvement. Outstanding mention was attributed to Paul Li who anchored our defense and showed all-round sportsmanship and team play. All players on the team were certainly supporting actors in allowing the team to achieve the success that it had.

A very sincere thank-you to all the team and team manager, Bruce Mulholland, for all their time and effort.

The 1994 edition of the Stanstead College Bantam Basketball Team was a mixture of a few veterans from last year's squad and a number of first time players. Thanks to the leadership of team captain Rene Villarreal and assistant captains Mark Hetu and Thomas Phaneuf, the team established a tone in practices that combined hard work with fun. This attitude paid off in a noticeable improvement in both team and individual play over the course of our eight game exhibition schedule.

Although our won-loss record may not show it, there were a number of highlights during the season that are worth remembering. For example, our inspired play in the second game against a very good team from Sacred Heart; the development of Guillaume McDowell and Jesse Power as strong defensive players; the improved offensive play of Alex Danes, Brendan Heath, Jean-Maxime Landry and Kevin Liao; our excellent effort in the season finale against Richmond where we held the lead well into the second half, and the positive contributions at both ends of the court by Patrice Huot and Arturo Ramirez.

I hope that the eleven players on this team will stay together as they move on to the junior and Senior levels. Every player not only made significant progress this year but also enjoyed playing the game and playing it together. The friendship and support you gave each other made it especially enjoyable for me to coach you.

I would like to thank everyone on the team for the outstanding effort you made this year. The commitment and dedication each of you displayed will produce even more positive results in the future. Congratulations to Bantam "S" winners Rene Villarreal, Mark Hetu, Thomas Phaneuf and Patrice Huot. Good luck to all!

This year's edition of the senior boys' rugby was once again very busy. We began the season travelling to R.C.S. in New Brunswick where this year we did not fare as well as last year. Once again, however, we were the most popular team at the tournament.

Upon return we proceeded to play an exhibition schedule because we had too many 18 year old students and thus could not participate in G.M.A.A. league play.

We played B.C.S. and did not do very well against them this year which was somewhat frustrating because I felt we could easily play at their level. We did play Massey Vanier for the first time in our rugby history and did not disappoint ourselves. We also played Royal West Academy where this year we came out on top.

We had a decent year considering the many new faces. I look forward to next year with great enthusiasm.

Congratulations to the Major "S" winners, Neil Hepworth and Sam Skoryna and senior "S" winners Owen Chang, Frank Lee and Zaid Mahayni.

The season got off to a very wet, cold, snowy start, but the girls were excited to play rugby which most of them knew nothing about. With help from Mr. Marino and Mr. Simard, Clare, Ruth, Julie, and Karine, the team began to take shape just in time for our first game.

What a thrill it was to be the first rugby team to start off the Spring Sports Season and return home victorious. This was our "omen" for the rest of the season.

As the girls played through bitterly cold days, their determination to work together as a team proved worthwhile. The sweet taste of victory quickly warmed everyone's spirits. Dedication to the team as well as the sport proved to be as strong as the team itself.

On Friday, May 13th the girls left for a 7's Tournament at BCS in a snowstorm. They played against strong teams and eventually made it to the final game against John Rennie High School. Our winning streak ended in taking second place - an accomplishment to be proud of. Thank goodness for those hot air blowers in the locker room, eh?

For those who are statistically inclined, the team's total points scored was 204-5; not including the 7's Tournament. The team worked hard for these, many of which Jennifer and Mandi get credit for.

Congratulations go to our captain Clare and Suzy on receiving their Major "S" awards and to our assistant captain Julie and Ruth in obtaining their Senior "S" awards.

TRACK & FIELD 1994

While the 20 athletes in the track & field programme this year represented the smallest team we have fielded in recent memory, it was one of the most dedicated and a real pleasure to work with from the coaches point of view. Once again we had unbalanced numbers with very few competitors at the bantam and senior levels but we did have some dominant athletes as Victor Kasowski was undefeated in the senior boys 400 and 800 metres, Philip Infilise was undefeated in the midget boys 800 and 1500 metres and Genevieve Yong was next to unbeatable in the midget girls shotput and discus all season. Overall the students always gave a good account of themselves and were excellent representatives for the school and I was more than pleased with their results in the 5 meets in which we participated. I was especially proud at the ETIAC Championship Meet when our team of 18 garnered 10 first place finishes, 4 seconds, 4 thirds and 5 fourths.

Hey, the bottom line is that both coaches and competitors have fun during the season ! I know I am speaking on behalf of the coaching staff when I say that we had a particularly fun year and I certainly hope that the students enjoyed the track season and the camaraderie and competitiveness that goes with it as much as we did. On behalf of Coach Channell and Coach Philip I would like to thank the team for a fun and relaxed track season and extend our congratulations to all trophy and award winners.

For those students who are returning, I hope you will continue with the programme again next year. For those members of the track & field team who are not returning, I wish you the best of luck and hope that some of you will continue to pursue your interests in track & field at the college level.

This year, all of our players exhibited incredible style and sportsmanship which is at the very heart of this sport.

As we played against Selwyn House, B.C.S., Massey Vanier and North country we showed fantastic form and continued to grow as a team. There were electrifying matches and not all of them were easy, but dedication and determination is what made Stanstead triumphant. Our players displayed a winning spirit and an ability to learn from their experiences as the season progressed.

Finally, at E.T.I.A.C. everything seemed to come together and we won the school trophy as well as individual and double championships. At the end of this season there is a definite sense of celebration and accomplishment. Both Miss Campbell and Mr. Williams are extremely proud of the teams and wish to thank all the players for their fine effort and success.

Congratulations go to V.J. Bala, Mizuho Sato and Phil Manning for winning the major "S" awards. Also, felicitations go to Alex Mendiola, Paulina Gonzales, Deepali Kumar, Deepti Kumar and Rene Villarreal, for their Senior and Junior "S" achievements.

Coach Campbell & Coach Williams

Junior Boys' Rugby

Coach:

Mr. N. Southward

Captain:

B. McDonald

Standing: Mr. N. Southward, M. Hetu, A. Duhamel, S. Tung, C.J. Park, C. Chavarria, Y. Valenta, B. Goodsell, R. Abad, M. Plante, P. Kasowski, F. Carriere, A. Danes, A. Ramirez.

Sitting: M. Fujimoto, J. Martinez, M. Lanoe, M. Trudeau, Z. Hussain, B. McDonald, J. Chi, N. Couture, V. Pagnelli, W. Au, P. Li.

This was the first year the Junior Rugby programme entered into GMAV competition providing some very competitive rugby. The team finished the season with a 2-2 record in league play and showed tremendous progress over the course of the short season. In two 7's tournaments, the team held a 4-3 record, while at our own invitational tournament, the team was edged out twice by BCS and won and tied versus Banting. The season was finished on a positive note with a decisive win over BCS.

Junior 'S' repeat winners included veterans James Chi, Zeeshan Hussain, Nathan Couture and captain Billy McDonald. Added to this list was newcomer Manabu Fujimoto and fullback and kicker Vito Pagnelli.

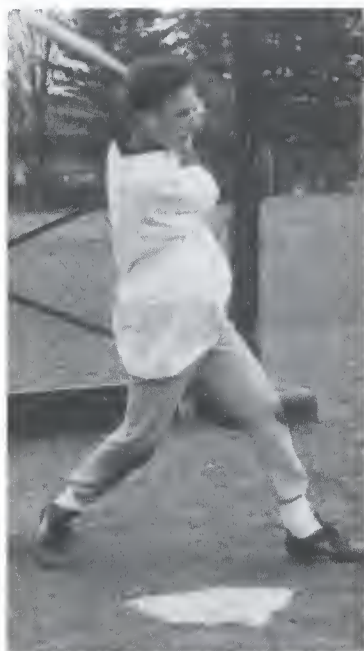

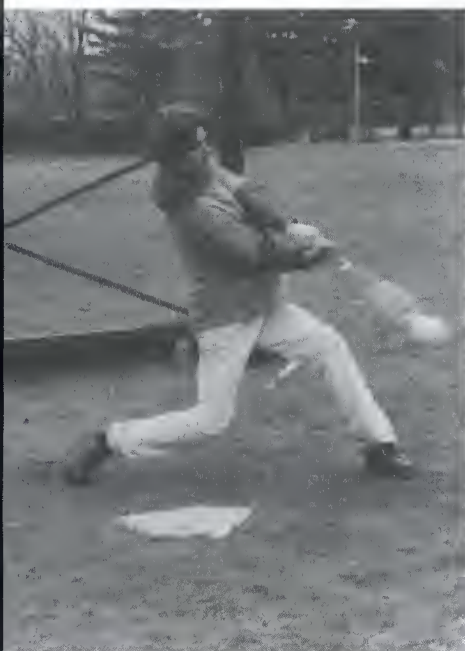

Thanks to all the team for their efforts, particularly those players moving on to senior next year and who have been with the programme for two and three years. A final thanks to those Bantam aged players, we'll see you again next season!

Mr. N. Southward

ACCOMPLISHMENTS: Good question!

ACTIVITIES: Head Prefect, Animation and Grad Committees, Choir, Tennis, Squash, Veg., Theatre Arts, Rifle Club

MEMORABLE MOMENTS: Too many things about this place will always remain in my mind. Grade 9: my first year here/ how I had to adapt to everything. Grade 10: Davis Haus the zoo/ 7 hour house meeting/ Jubilation stage 3. Grade 11: Danny and our dog/ Sudama and company/ Mason my roommate/ Cellar Rats, Jose (light or dark) Grade 12: how this school changed/ Babla sessions/ "Stayin Alive". My relationships with Kim, Clarissa, Marieve, Christina (that strange cohort of mine). Rob, Dawn (my sister), George, Danny, Dave, Ryan (the man with a lot of work, Style King), Mason, Neil (the geek), Jean and everyone else. "So many years of my life and still I'm trying to get up that great big hill of hope, for a destination." It's going to be hard, but I thank Stanstead for the way it has prepared me for it. I hope it never changes.

SPECIAL THANKS: I'd like to thank all the teachers here who helped me when I needed it. But my heart always goes out to the two individuals who mean everything to me: my parents. I love you.

DEPARTING STAFF

Mr. Michael T. Wolfe

It is difficult to look back on the contributions Michael T. Wolfe has made to the College and believe it all happened in just one year! As Director of Development, he concluded the 21st Century Capital Campaign in style with the very successful "Buy-A-Brick" campaign which resulted in a beautiful tribute wall on the main floor of Colby House. Aside from funds raised by the capital campaign and the annual giving program, we must thank him for acquiring the new weight equipment from Weider Sports Equipment, thousands of dollars worth of new software from Softkey Software (Kevin O'Leary, '70) and the new books donated to the library at the first annual bookfair. The many special events were always memorable - from the Archives Club's 50's Dance to Tony Eveleigh's Retirement Dinner, the Andrew Sarlos Luncheon in Toronto to the First Annual Alumni Golf Tournament in Georgeville. Certainly, the Theatre Arts Club will always remember performing "Rehearsal for Murder" at McGill University.

Mike approached the challenge of teaching Grade 12 Political Science with zeal and really enjoyed this aspect of his year here. (He spent his Spring Break with students in New York City at a United Nations Conference!). He also took his role as advisor very seriously and genuinely appreciated his time to talk with "his kids". He was a very skillful motivator!

Physical fitness was a very important aspect of his life and he could be seen jogging almost daily. He was very involved in sports as assistant coach to the senior boys football team and coach of the bantam boys basketball. I know the staff hockey team, "The Icemen will miss The Wolfman."

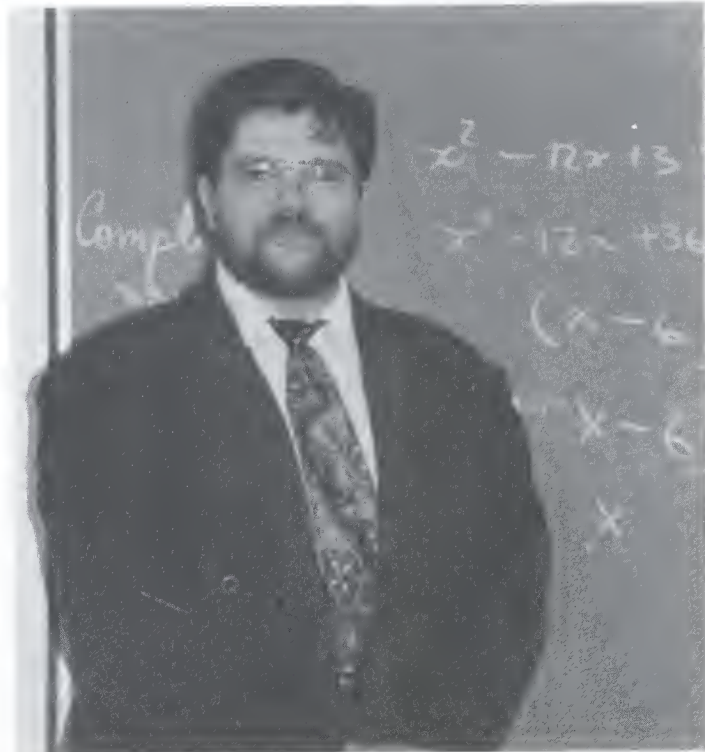

Mike has chosen to fulfil a longtime personal goal and has decided to "seek volunteer opportunities overseas". We will look forward to his "Tales from Abroad" and wish him nothing but the best in what is sure to be a most interesting future. Mike made many friends at the College and we will miss his professionalism, his dedication and determination, his classy style and his unique sense of humour. We really hope you will make it to "Homecoming 1995." Merci, Mike!

Steve Jackson started teaching at Stanstead in 1988 following a family tradition in the footsteps of his brother Brian who also taught physics and math here from 1976 to 1977. His influence extended over both the senior students he taught and the junior students he supervised in Bugbee House. His famed "gruffiness" was belied once you got to know him well and discovered his great sense of humour and the fact that he sincerely cared about all of his students and would meet each one more than half-way to guide them over the rough spots.

Each year when science fair time rolled around Steve spent many evenings and weekends helping students explore science and develop a creative approach to experimental projects from nuclear physics to holography. A dedicated professional and assistant department head, he also found the time to run the rifle club, coach swimming and softball, all the while daily solving everybody's computer hangups. "The proof is in the pudding" and a great testimonial to Steve's success as a physics and math teacher comes from his former students who have gone on to successfully complete engineering and science programs at university. The word is out to "take Mr. Jackson's courses", so as to be well prepared for what lies ahead.

In 1992 Steve married Sue Broden, herself a former math teacher here and though they will be sorely missed, we wish them all the very best as they continue their careers in Montreal. Goodbye Mr. Jackson - "It was a slice."

Ann Kasowski

Mr. Steve Jackson

Loneliness

As he sits in solitude, as he sits alone
In the darkness and shadows alone in his own
Time in space, away from the places
Where bad things begin, away from its faces.

He carries with him his worries and fears
As the day of forgetting all happiness nears
Sitting there, all huddled, in a ball
Holding in his emotions, holding them all.

As the day approaches and everything's lost
The line of sanity, soon he will have crossed
He remains as one for the years that follow
His emotions and feelings he continues to swallow.

This man, this person, not unlike us all
Instead of climbing he will continue to fall
Through his eyes he will continue to see
A world of darkness and unhappiness, it will always be.

And although he tries and hopes everyday
On his own, in his life he will lay
In his own everlasting puddles of tears
In the back of his mind remains happiness and cheers.

Even though in him there still remain
The feelings of love, and happiness, he can only regain,
If he let himself open up, to the light of day
The feelings of sadness, and sorrow will fade away.
